

Schools, College and Universities account

You are a School principal, owner, director, parent or student? You defiantly will need a convenient way of school fees payment. MyBank designed a very easy and efficient way of school fees payments, through direct integration between School/University ERP/accounting system and MyBank digital channels .This enables our customers to directly push payments from their accounts to the School/University account, while using our bill payment platform.

This also automatically updates the School/University accounting system by marking the concerned student fees as paid, which saves lots of time and efforts for the student, parent and school/ university management.

Your school/University doesn't have an electronic accounting system for the school/bank integration purposes? Don't worry; we can provide you with a free automated system, training, and technical support.
